Seller agrees that puppy has been vet checked and is free of any infectious or communicable diseases. Pup has had all age appropriate vaccinations and worming's, and Seller will furnish Buyer with vet health records. Buyers should take puppy to their own vet for health check within 72 hours of purchase, and with the exception of puppy's death, defective puppy must be returned to Seller within one week, for a full refund. Accidents and injuries are not covered. Buyer agrees to furnish a written statement from the vet clearly stating any findings of health problems to Seller. Seller reserves the right to have a second vet confirm the diagnosis. If Seller has not been notified of puppy's ill health within 72 hours, no cash refund will apply and guarantee will revert to the exchange clause (stated below).

Seller guarantees this puppy to be free of any congenital (inherited) health problems for a period of one year from the date of birth, and two years for hip/elbow dysplasia. Should this puppy develop any on the above health issues after a 72-hour period, no cash refund will apply. Seller agrees to replace the puppy with a pup of equal/comparable value from the next available litter, not to exceed 1 1/2 year of purchase date of the original puppy. Should the pup develop hip dysplasia the replacement applies before the pups second birthday. Additionally, Buyer must furnish a written statement from a licensed veterinarian to Seller to confirm diagnosis of congenital defects or dysplasia for the exchange agreement to apply. Seller reserves the right to have a second vet confirm the diagnosis. Buyer further agrees that should this puppy develop any congenital defects or dysplasia, the exchange clause only applies upon Buyer's proof of spay/neuter defective puppy. Buyer agrees to feed a quality Large Breed Puppy food until puppy is 1 1/2 years old. Should Buyer choose to feed another food, the health guarantee is void for any and all growth related disorders. Seller is not responsible under any circumstances, for any vet bills after date of

pickup. This health contract does not cover umbilical hernias, entropion, mange, bloat, spinal deformations caused by injury or congenital defect, wobblers or any other condition which may have an environmental cause.

Buyer agrees that puppy will be treated as a family member and be given adequate food, shelter and veterinary care for his/her lifetime and will never be sold or given to any third party without Seller's express, written consent. If at any time the Buyer decides not to keep the dog, it must be returned to Quality Kennels. We will find an appropriate home for the dog.

Buyer agrees that if puppy is Limited AKC, puppy will not be bred to any other dog during its lifetime. Spaying or neutering is highly recommended at an appropriate age determined by your veterinarian to prevent and/or limit the development of testicular and mammary cancer, prostate cancer, pyometra, and rectal tumors.
